2. OP will extend the time for study of the CIA's Career Services system.
3. Fitness reports are in for another study.
4. Under discussion is the need for each office to have annual meeting for all of its employees.
5. [REDACTED]  
to be appointed.

At one of the morning meetings the awarding of retirement medals and certificates was discussed; the pressure of numbers may require giving the awards in groups and in the Auditorium.

Mentioned comments of DDs stemming from their meetings with the Mid-careerists in their Directorates. (Here a discussion followed as to the value of the Grid. In response to comments by DDO careerists that the Grid was not a very satisfactory technique, DTR cited the affirmative results of OTR's own survey of 1,000 plus Midcareerists.)
